

# SUPPORT URGENT DACA RENEWALS IN OUR COMMUNITY

## Keep the DREAM alive!

Join us in fundraising for staff and participants of local Mission organizations to assist with their DACA renewal costs. **100% of ALL FUNDS RAISED** will go directly to our Mission neighbors so that they have the \$495 needed to reapply for DACA by the Oct. 5 deadline.

## 4 actions you can take:

- 1 Contact your Congressional representative and request that they immediately act to protect immigrant youth through the bipartisan DREAM Act of 2017.
- 2 Demonstrate to make your voice heard singly and communally.
- 3 Share your perspective on matters of importance to the Latino immigrant community.
- 4 Vote in every election.
