## Scaling Equitable Recovery Nationwide

Scale the Equitable Recovery Institute's national collaborations and evolve Mission Promise Neighborhood into a north star model for the nation's first Promise City.

### Hogares not Casas

Produce 800+ new affordable homes in the Mission District, keeping our BIPOC communities and educators rooted in the City.

### Lending for Racial Justice and Equity

Provide a robust launchpad for small businesses with Racial Equity Lens loans and culturally relevant, high-touch technical assistance.

### Centering the Voices of Parents and Youth

Growing leadership among the next generation of parents and youth as the driving voices advocating for their community and schools.

### Setting the Bar for Nonprofit Excellence

Set the standard for nonprofit organizational excellence with thriving wages, pay transparency, and empathetic, culturally relevant community care.
